Major General R. W. Crow (Ret)
527 Valley Lane
Falls Church, Virginia

Dear General Crow:

In confirmation of our telephone conversation of yesterday, Mr. Dulles is most appreciative of your invitation to meet General Anderson on Thursday, the 19th of April, and if his schedule permits he will meet you and your party at the Bureau of Public Roads Research Station at about 4:15 p.m. on that date.

You will appreciate, of course, that planning for our building is in the very early stages and that we, therefore, will be unable to discuss the project in very much detail.

I shall look forward to seeing you next Thursday.

Sincerely,

/s/

L. K. White
Deputy Director
